Shipping Guarantee

If your order does not arrive within 10 business days of the ship date, ElectroBraid™ Fence Limited will refund the freight charge for that order. This guarantee applies to standard shipping to the continental United States but does not apply to commercial orders or Geotek Products.

The components on this price list are standard items only. If your application requires other components (i.e. a more powerful energizer), or if your application is wildlife exclusion, please contact our Fence Consultants for assistance. Prices are subject to change without notice.
